⚠ WARNINGS & DISCLAIMERS ⚠

DIRHAM WORLD HALAL (DWH)

RESPONSIBILITY AND PRECAUTION

Investing in cryptocurrencies should be considered with caution. Although **DWH Technology Consultants FZCO** is committed to fostering the sustainability and development of the project, fluctuations in the financial and crypto markets remain beyond our control.

No guaranteed returns or future valuations can be promised.

Each investor remains **fully responsible for his or her decisions** and assumes the risks associated with his or her investments.

KEY RISKS

- **Risk of total loss** : You can lose all or part of your investment.
- **High volatility** : The value of cryptocurrencies is particularly volatile.
- **No guarantees**: **DWH** tokens are not backed by any state, central bank, or public institution.
- **No promised return** : no future income or profit is guaranteed.
- **Unsecured liquidity** : The existence of a secondary market is not guaranteed.

COMPLIANCE AND LEGAL FRAMEWORK

- **Regulatory Compliance** : DWH is committed to complying with the requirements of the **VARA (Virtual Assets Regulatory Authority, Dubai)** and other relevant authorities.
- **Halal certification** : certification by a recognized body in the United Arab Emirates is planned to ensure compliance with the principles of **Islamic finance**.
- **Not financial advice** : The information published on this website or in the white paper is provided for informational purposes only and does not constitute an investment recommendation.

INTELLECTUAL PROPERTY

All content related to DWH (white paper, graphics, concepts, visuals, formulations) is the **exclusive intellectual property** of: **DWH Technology Consultants FZCO,** Dubai, United Arab Emirates.

Any reproduction, copy, translation, distribution or use without prior written permission is strictly prohibited and may give rise to prosecution in accordance with the laws in force in the United Arab Emirates and international conventions on intellectual property.
